DETAILED ACTION

1. This Office Action is a response to communications dated 07/06/05. Claims 1-12 are pending in the application.

Priority

2. Certified English translation of the foreign priority paper is submitted in the response filed 07/06/05. It has been made of record in accordance with 37 CFR 1.55. See MPEP § 201.15.

Allowable Subject Matter

3. Claims 1-12 are allowed.

4. The following is an examiner's statement of reasons for allowance: The prior art of record, considered individually or in combination, fails to fairly show or suggest a claimed method/apparatus for designing a plurality of communication paths between an ingress node and an egress node in a communication network, comprising: among other limitations, an novel an unobvious limitation of step/means for "solving a mathematical programming problem formed by said objective function, and said first, second and/or third constraint equations to obtain a plurality of trees in which said communication paths can be accommodated", structurally and functionally interconnected with other limitations in a manner as recited in claims 1-12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
